

**supermod.** *Sonora*

# Sonora.

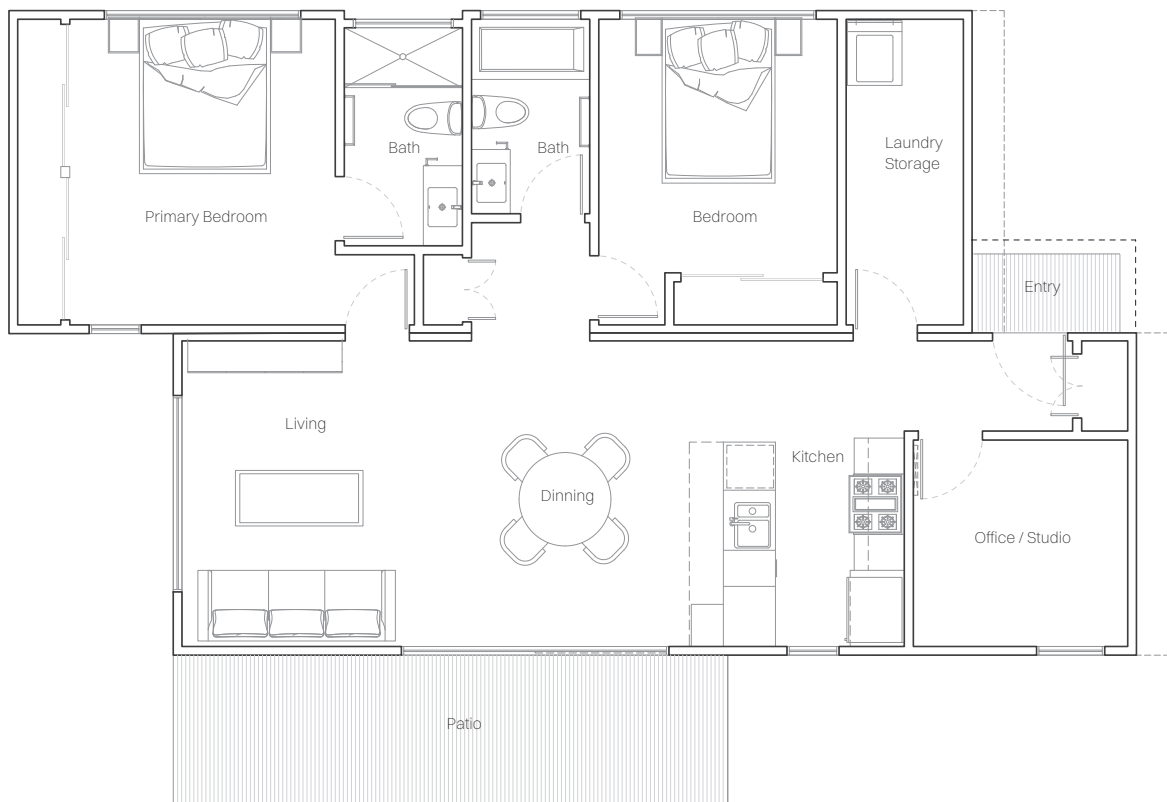

Working from home? Want some extra space? This 1080 square foot home has 2 spacious bedrooms, 2 full bathrms, a flex room for your home office or yoga studio, laundry room and storage in addition to an open concept living area, Sonora has just what you need to feel at home.

Like all Supermod homes, Sonora comes with standard high end finishes including quartz counter tops, custom cabinets, 9 ft ceilings, oversized sliding glass doors and a heat recovery unit ensuring your home's temperature will stay consistent keeping your annual costs down. Supermods homes are built to the highest standards starting with a steel frame that will last a lifetime.
